X. DAMAGES

33. Plaintiff incorporates by reference the allegations set forth above as if the same were fully set forth herein.
34. Defendant QuikTrip Corporations actions and/or omissions set forth above, were the proximate cause of Plaintiff's injuries and damages.

JOHN HARRIS	§	IN THE DISTRICT COURT
Plaintiff,	§	
	§	
vs.	§	95 th JUDICIAL DISTRICT
	§	
QUIKTRIP CORPORATION,	§	
Defendant.	§	DALLAS COUNTY, TEXAS

DEFENDANT'S ORIGINAL ANSWER

TO THE HONORABLE JUDGE OF SAID COURT:

Defendant QuikTrip Corporation ("Defendant") files this Original Answer to Plaintiff's Original Petition and, in support thereof, would respectfully show as follows:

I.
GENERAL DENIAL

1. Defendant denies each and every material allegation contained in Plaintiff's Original Petition, and all amendments and supplements thereto, demands strict proof thereof, and to the extent that such matters are questions of fact, says Plaintiff should prove such facts by a preponderance of the evidence and/or clear and convincing evidence to a jury, if he can so do.

II.
DEFENSES

2. Defendant specifically denies Plaintiff's claims that it was negligent, and Defendant denies that Plaintiff has stated a viable cause of action for negligence.

3. Defendant asserts that Plaintiff's contributory negligence, actions, or omissions were the sole, producing, or proximate cause of Plaintiff's damages or injuries, if any, as Plaintiff failed to keep a proper lookout for the alleged unreasonably dangerous condition.

4. To the extent applicable, Defendant may show that the acts or omissions of third persons not under the control of Defendant were the sole, producing, or proximate cause of Plaintiff's damages or injuries, if any.

5. Defendant asserts that it had neither actual nor constructive knowledge of the condition about which Plaintiff complains and that, in any event, the alleged hazard was not "unreasonably dangerous."

6. Defendant may alternatively show that it adequately warned Plaintiff of the condition, or that the condition was open and obvious, relieving Defendant of any duty to warn of the condition or make it safe.

7. Defendant may further show that the damages of which Plaintiff complains, if any, were the result of prior, pre-existing, or subsequent injuries, accidents or conditions, and said prior, pre-existing, or subsequent injuries, accidents, or conditions were the sole or a contributing cause of Plaintiff's damages, if any.

8. Defendant may further show that Plaintiff breached his duty to mitigate damages by failing to exercise reasonable care and diligence to avoid loss and minimize the consequences of damages.

9. Defendant may further show that Plaintiff is malingering as that term is known in the law.

10. Defendant may further show that the accident complained of was an unavoidable accident as that term is known in law.

11. Defendant further asserts that any claims for medical or health care expenses incurred are limited to the amount actually paid or incurred by or on behalf of Plaintiff pursuant to Texas Civil Practice and Remedies Code § 41.0105.

12. Defendant asserts that it is entitled to contribution, indemnity, and all available credits as provided for in the Texas Civil Practice and Remedies Code and under Texas law, in the unlikely event that an adverse judgment is rendered against them in this matter.

13. Defendant contends that, pursuant to § 18.091 of the Texas Civil Practice & Remedies Code, to the extent Plaintiff is seeking a recovery for loss of earnings, lost wages, loss of earning capacity and/or loss of contributions of pecuniary value, evidence of this alleged loss must be presented by Plaintiff in the form of a net loss after reduction for income tax payments, or unpaid tax liability to any federal income tax law.

14. Defendant asserts that Plaintiff has failed to satisfactorily plead, present, or prove a claim which would entitle him to an award of exemplary damages and, as such, Defendant contends that any such contention be stricken and that any such award be set aside.

15. Defendant further plead the defense of unconstitutionality and says any award of exemplary damages would constitute the imposition of a criminal penalty without the safeguards guaranteed by the Fifth, Sixth, Eighth, and Fourteenth Amendments of the Constitution of the United States and the similar provisions of the Texas Constitution. Furthermore, the imposition of exemplary damages constitutes an excessive fine in violation of the Eighth Amendment, denies Defendant the equal protection of the laws under the Fourteenth Amendment, and violates the due process clauses of the Fifth and Fourteenth Amendments. Any claim by Plaintiff for

exemplary damages should be stricken as unconstitutional and any award of exemplary damages should be set aside for the reasons stated above.

III.
COURT REPORTER REQUESTED

16. Defendant respectfully demands a court reporter be present at all proceedings before the Court.

IV.
PRAYER

WHEREFORE, PREMISES CONSIDERED, Defendant respectfully prays that Plaintiff take nothing by this cause of action, that Defendant be permitted to recover the costs expended on its behalf, and for such other and further relief to which Defendant may show itself justly entitled, in law or in equity.
